## **Hills Lacrosse Registration Boys & Girls K-8**

Hills Youth Lacrosse has served the community for Fourteen years. The children who participate in the program continue to thrive and alumni of our program have committed to or are playing at many of the best colleges and universities across the country like, Duke, Binghamton, Stony Brook, Johns Hopkins, University of Pennsylvania, Cornell, Washington College, Hofstra, Notre Dame, Lehigh and many more. Preparing kids for future success is important but we believe that lacrosse should be a fun experience where the kids learn the fundamentals and develop a love of the game. The three concepts, fun, fundamentals, and love of the game are our purpose and mission.
